What else do I need to know?

Dogs, children and OH's welcome! Good on-site parking facilities, and camper vans are allowed in camping area. Brighton centre is easily accessible by bus or cab (but a nightmare to park, so leave the car behind!), where there is oodles of indoor accommodation available for comfort lovers, as well as some lovely shoe shops etc.

Early bird places close strictly by 31st December so register early to avoid disappointment.

Hope to see you there! On on!
