

# CAMP IT UP

with BRIGHTON HASH HOUSE HARRIERS.

40<sup>th</sup> Anniversary R\*n weekend,

Brighton Rugby Club - Waterhall playing fields

## What to bring:

A tent, or camper van, a towel, hash gear, 'Camp It Up' party wear, and beer money for the pub crawl (and a bit extra if you're really thirsty at the venue). Please also bring your hash tankard for use wherever possible, to limit the amount of plastic waste created! A labelled mug would also be useful for tea and coffee.

## How to get there:

**By car - sat nav BN1 8YR:** Waterhall playing fields are at the junction of the A27 east/ west route and the A23 north / south route as you enter Brighton. From the north take 3rd exit right at the roundabout, from the east or west take 2nd exit, signposted Mill Road and keeping BP garage on the right as you exit. Proceed under the narrow bridge then take the first right, green sign "Waterhall". Turn left and on to a Y junction taking the left hand fork. Carry on past height bar and follow signs to car park/ camping area.

**By train:** Closest station is Preston Park approx. 2.5 miles so cab (ask for Brighton Rugby Club) or bus (#27 to Patcham Place, but still almost a mile walk) is recommended. There may be limited pick-ups depending on demand, so please advise if using this method of arrival.
