On! On! To Interhash 2000 in Tasmania

HOW TIME FLIES WHEN YOU'RE HAVING FUN!!!

Well who'd have thought it, or even I would last this long, but it's happened and the headline is right – this is the 50th edition of the BH7 Hash Trash. I have kept most of them but I'm missing a couple of rare collectors editions from the Bob and Don days when I was temporarily unable to print. If anybody has these I would be grateful of a copy for continuity but suspect they're long since confined to the trash tip.

So what's happened in the 6 years since that first issue? We've celebrated 801 (brewery trip); 16 years (somehow); 900 (Muktha Mahal); 1000 (Devil's Dyke original run with well over 100 runners and a cracking bbq afterwards with celeb Sal briefly in attendance); 20 years (wettest Barbie on record) and 1066 (Battle, with possibly the most subtle hash shirt logo ever) runs. We've had moments of glory in the Grand Prix series, even some winners not from Henfield Joggers, the South Downs relay (holding the record for almost 20 minutes!), and er... the Mongolian national 10k championships. New faces have arrived and old regulars have limped off, resurfacing just occasionally and a 1000 stories have come and gone.

It's encouraging to see that we have rather more of a public face with entries in the UK and international handbooks, as well as on the internet. Hashers have started to visit other clubs on their holidays or work notably the Mongolian 10k champion Niel 'Robbo' Robinson who has also made appearances in Falklands, about as far away as you can get, and even a few attendances at the National and International hashes.

Niel is also responsible for one of the most durable and anticipated events in the hash year – our annual bash to Montreuil in France. This year's event is one of many that has taken place since the last edition and as usual was very well attended (I counted almost 60 at the meal so there must have been 30 or so!). Most chose cars but a few decided to bike from Boulogne which made an entertaining start to the weekend. The hash co-hared by Greyhounds Niel and Tony was as usual superb, with only a few drops of rain to cool us down, the meal at Belle Vue superb, and the Sunday boules a washout. The rain had myself, Ian & Brenda pledging to get the train back whilst Angel Gabrielle, recognising that she was a typical unbalanced pregnant female, thought we should bike. No trains so off we went and by all accounts got away with it. Thanks to everyone involved in this especially Niel and Candy, Tony and Spreadsheet, for another great trip.

Myself and occasional Brighton hashers Mike Mandeville and Lone Ranger from EGH3 attended this year's Nash hash in Scotland which was superb and to be recommended. I'll never be able to look at Venom in the same light after an extraordinary display from, Guernsey hash which centred around a couple of classic hits Might Quinn and Brimful

of Asha which had both been rewritten for the occasion. They also invited everyone to a mock wedding outside their hut which was very entertaining, however, word is that they then spoilt everything for the reputation of hash events as good clean fun by trashing the hut and pulling the toilet out. Not necessary.

After a week in Scotland when I was able to enjoy runs with the TNT and Edinburgh hashes I came back to run for the hash team in the Downs Link Relay including the winning glory leg, though I doubt the sight of me limping up the hill demanding a beer was quite what the organisers wanted to see!

I'm always keen to accept contributions to the trash whether its run reviews, humour, comment or whatever and feel this could be an appropriate time to remind everyone that a lot of work goes into this and I can always use some input. So Tims story about Panthers on the hash has turned out to be as invisible as the alleged panthers!

You'll note from the run sheet that we've managed to get runs right up to Christmas, hence Gnasher the Hasher on the front) so the next issue will be the Millennium edition featuring 1000 items for your delectation.

(if you haven't hashed for a while, please check with the HARE first that nothing has changed)

This is for those of you thinking of having kids (and will ring some bells with those who have already taken the plunge):-

***Mess Test** - Smear peanut butter on the sofa and curtains. Place a fish stick behind the couch and leave it there all summer.

***Toy Test**:- Obtain a 55-gallon box of Lego (if Lego is not available, you may substitute roofing tacks). Have a friend spread them all over the house. Put on a blindfold. Try to walk to the bathroom or kitchen. Do not scream (This could wake a child at night).

***Grocery Store Test**:- Borrow one or two small animals (goats are best) and take them with you as you shop at the grocery store. Always keep them in sight and pay for anything they eat or damage.

***Dressing Test**:- Obtain one large, unhappy, live octopus. Stuff into a small net bag making sure that all arms stay inside.

***Night Test**:- Prepare by obtaining a small cloth bag and fill it with 8 - 12 pounds of sand. Soak it thoroughly in water. At 8.00 PM begin to waltz and hum with the bag until 9.00 PM. Lay down your bag and set your alarm for 10.00 PM. Get up, pick up your bag, and sing every song you have ever heard. Make up about a dozen more and sing these too until 4.00 AM. Set alarm for 5.00 AM. Get up and make breakfast. Keep this up for 5 years. Look cheerful.

***Feeding Test**:- Obtain a large plastic milk jug. Fill halfway with water. Suspend from the ceiling with a stout cord. Start the jug swinging. Try to insert spoonfuls of soggy breakfast cereal into the mouth of the jug, while pretending to be an airplane. Now dump the contents of the jug on the floor.

***Physical Test (Women)**:- Obtain a large beanbag chair and attach it to the front of your clothes. Leave it there for 9 months. Now remove 10 of the beans.

***Physical Test (Men)**:- Go to the nearest drug store. Set your wallet on the counter. Ask the clerk to help himself. Now proceed to the nearest food store. Go to the head office and arrange for your paycheck to be directly deposited to the store. Purchase a newspaper. Go home and read it quietly for the last time.

***Final Assignment** - Find a couple who already has a small child. Lecture them on how they can improve their discipline, patience, tolerance, toilet training and child's table manners. Suggest many ways they can improve. Emphasize to them that they should never allow their children to run riot.

Enjoy this experience. It will be the last time you will have all the answers.

IT'S THE PETE BEARD CRAP JOKES PAGE!

A man went into a chemist today and asked for some rat poison. "I'm sorry, we don't stock it," said the assistant, "Why not try Boots?" "I want to poison them, not kick them to death," replied the man.	"Doc, I can't stop singing the green green grass of home." "that sounds like Tom Jones syndrome." "Is it common?" "It's not unusual."
A guy walks into the psychiatrist wearing only cling film for shorts. The shrink says, "Well, I can clearly see you're nuts."	A guy goes into the doctor's. "Doc, I've got a cricket ball stuck up my arse"
The couple buying a house were surprised to be gazumped by an Indian couple. Apparently they put in a hiawatha.	"How's that?" "Don't you start"
A woman in a supermarket sees a deal offering 5 boxes of tampax for 1 pound. She can't believe how good the deal is and asks the manager "Is this deal correct?" "Yes madam, 5 boxes for a pound, no strings attached"	Two cows standing next to each other in a field, Daisy said to Dolly "I was artificially inseminated this morning." "I don't believe you," said Dolly "It's true, straight up, no bull!"
An ice cream man was found dead in his van yesterday, covered in nuts, desiccated coconut and strawberry sauce. Police believe he topped himself.	Two prostitutes standing on a street corner. One says to the other, "have you ever been picked up by the fuzz?" The other replies, "No but I've been swung around by the tits!"
A scientist had a frog. He decided to study the little guy. So he says, "Jump frog, Jump," and the frog jumped 8 feet. So he noted in his journal that a frog with 4 legs jumps 8 feet. Then he cut off one leg and said, "Jump Frog, Jump." The frog then jumped 6 feet and he made the required notation. After cutting off the 2nd leg and saying, Jump, Jump, the frog only jumped 4 feet and the scientist so noted. He then cut of the third leg and told the frog to jump.. . he jumped 2 feet and the scientist noted in his book that a frog with only one leg jumps 2 feet. Finally, he cut off the last leg and said, "Jump Frog, Jump" but alas the frog jumped nowhere. The scientist opened his book and noted, "after cutting off all legs, the frog becomes totally deaf."	A frog goes into a bank and approaches the teller. He can see from his name plate that the teller's name is Paddy Whack. So he says, "Mr. Whack, I'd like to get a loan to buy a boat and go on holiday." Paddy Whack looks at the frog in disbelief and asks how much he wants to borrow. The frog says £30,000. The teller asks his name and the frog says his name is Kermit Jagger and that it's OK, he knows the bank manager. Paddy explains that £30,000 is a substantial amount of money and that he would need to secure some collateral against the loan and asks if he has anything he can use as collateral. The frog says, "Sure. I have this," and produces a tiny pink elephant, about half an inch tall, bright pink and perfectly formed. Very confused, Paddy explains that he'll have to consult with the manager and disappears into a back office. He finds the manager and says, "There's a frog called Kermit Jagger out there who claims to know you and wants to borrow 30 grand. And he wants to use this as collateral." He holds up the tiny pink elephant "I mean, what the heck is this?" The bank manager replies, "It's a knick knack, Paddy Whack. Give the frog a loan, his old man's a Rolling Stone."
Two cannibals eating a clown. One says to the other "Does this taste funny to you?"	There was a man who entered a local paper's pun contest. He sent in ten different puns, in the hope that at least one of the puns would win. Unfortunately, no pun in ten did.
Sherlock Holmes and Dr. Watson went on a camping trip. After a good meal and a bottle of wine, they lay down for the night, and went to sleep. Some hours later, Holmes awoke and nudged his faithful friend. "Watson, look up at the sky and tell me what you see." Watson replied, "I see millions and millions of stars." "What does that tell you?" Watson pondered for a minute. "Astronomically, it tells me that there are millions of galaxies, and potentially billions of planets. Astrologically, I observe that Saturn is in Leo. Horologically, I deduce that the time is approximately a quarter past three. Theologically, I can see that God is all powerful and that we are small and insignificant. Meteorologically, I suspect that we will have a beautiful day tomorrow. What does it tell you?" "Watson, you fool, some thief has stolen our tent."	After a car crash, one of the drivers was lying injured on the pavement. 'Don't worry' said a policeman who was first on the scene, 'a Red Cross nurse is coming.' Oh darn, moaned the victim, 'couldn't I have a blonde, cheerful one?'
Is it true they are now trying to get the Millenium wheel up with Viagra?	One day Mickrick gets a phone call from Pat. "Mickrick," says Pat, "I've got a problem." "What's the matter?" replies Mickrick. "Oi've bought a jigsaw and it's too hard, none of the pieces fit together, and I can't find any edges." "What's the picture of?" asks Mickrick. "It's of a big cockerel," Pat replies. Mickrick says, "Alroight, Pat, Oi'll come over and have a look." He gets to Pat's house and Pat opens the door."Oh thanks for coming, Mickrick" He leads Mickrick into the kitchen and shows him the jigsaw on the kitchen table. Mickrick looks at the jigsaw, then turns to Pat and says, "Pat you eejit, put the Cornflakes back in the packet."
Pat and Mick responded to a building site ad for work which was conditional on the applicants being Irish, well known for their ability on site. Pat saw the foreman first who asked his name. "Pat."he replied to which the foreman said "sure you can't be Irish else you name would be Patrick". Turning to Mick he then asked the same question to which Mick, thinking on his feet replied "Mickrick."

A man is walking past a mental asylum and hears all the patients chanting: "Thirteen! Thirteen! Thirteen!" Quite curious about all this he finds a hole in the fence, looks in and someone pokes him in the eye. Everyone stars chanting: "Fourteen! Fourteen! Fourteen!"	
A man walks into a butchers shop and orders a pound of sausages. The butcher prepares the order, then says, "I bet you the price of those sausages that you can't get those pieces of meat down off the shelf behind me." The man regards the shelf carefully, then says..... "I'm not betting - the steaks are too high!"	

Here are some actual statements by several airline flights crews, and occasionally, airline attendants as they make an effort to make the "In-flight safety lectures" a bit more entertaining. Here are some real examples that have been heard or reported:

- "As we prepare for takeoff, please make sure your tray tables and seat backs are fully upright in their most uncomfortable position."
- "There may be 50 ways to leave your lover, but there are only 4 ways out of this airplane."
- "Your seat cushions can be used for flotation; and, in the event of an emergency water landing, please take them with our compliments."
- "We do feature a smoking section on this flight; if you must smoke, contact a member of the flight crew and we will escort you to the wing of the airplane."
- "Smoking in the lavatories is prohibited. Any person caught smoking in the lavatories will be asked to leave the plane immediately."
- Pilot - "Folks, we have reached our cruising altitude now, so I am going to switch the seat belt sign off. Feel free to move about as you wish, but please stay inside the plane till we land... it's a bit cold outside, and if you walk on the wings it affects the flight pattern."
- And, after landing: "Thank you for flying Delta Business Express. We hope you enjoyed giving us the business as much as we enjoyed taking you for a ride."
- As we waited just off the runway for another airliner to cross in front of us, some of the passengers were beginning to retrieve luggage from the overhead bins. The lead attendant announced on the intercom, "This aircraft is equipped with a video surveillance system that monitors the cabin during taxiing. Any passengers not remaining in their seats until the aircraft comes to a full and complete stop at the gate will be strip-searched as they leave the aircraft."
- Once on a Southwest flight, the pilot said, "We've reached our cruising altitude now, and I'm turning off the seat belt sign. I'm switching on the autopilot too, so I can come back there and visit with all of you for the rest of the flight." As the plane landed and was coming to a stop at a Washington National, a lone voice came over the intercom: "Whoa, big fella, WHOA!"
- Should the cabin lose pressure, oxygen masks will drop from the overhead area. Please place the bag over your own mouth and nose before assisting children or adults acting like children."
- "As you exit the plane, please make sure to gather all of your belongings. Anything left behind will be distributed evenly among the flight attendants. Please do not leave children or spouses. Last one off the plane must clean it."
- And from the pilot during his welcome message: "We are pleased to have some of the best flight attendants in the industry... Unfortunately, none of them are on this flight!"
- This is an actual joke I heard on Southwest Airlines, just after a very hard landing in Salt Lake City; one of the most bone-jarring I've experienced. The flight attendant came on the intercom and said, "That was quite a bump, and I know what y'all are thinking. I'm here to tell you it wasn't the airline's fault, it wasn't the pilot's fault, it wasn't the flight attendant's fault...it was the asphalt!"
- An airline pilot wrote that on this particular flight he had hammered his ship into the runway really hard. The airline had a policy which required the first officer to stand at the door while the passengers exited, give a smile, and a "Thanks for flying XYZ airline." He said that, in light of his bad landing, he had a hard time looking the passengers in the eye, thinking that someone would have a smart comment. Finally everyone had gotten off except for an elderly lady walking with a cane. "Mind if I ask you a question sonny?" she asked. "Why no Ma'am," said the pilot. "What is it?" "Did we land.... or were we shot down?"
- From an apparently disgruntled Southwest Airlines employee... "Welcome aboard Southwest Flight XXX, to ABC. To operate your seat belt, insert the metal tab into the buckle, and pull tight. It works just like every other seatbelt, and, if you don't know how to operate one, you probably shouldn't be out in public unsupervised. In the event of a sudden loss of cabin pressure, oxygen masks will descend from the ceiling. Stop screaming, grab the mask, and pull it over your face. If you have a small child traveling with you, secure your mask before assisting with theirs. If you are traveling with two small children, decide now which one you love more...."
- The weather at our destination is 50 degrees with some broken clouds, but we'll try to have them fixed before we arrive." "Thank you, and remember, nobody loves you, or your money, more than Southwest Airlines."
- Overheard on an American Airlines flight into Amarillo, Texas, on a particularly windy and bumpy day: During the final approach, the Captain was really having to fight it. After an extremely hard landing, the Flight attendant came on the PA and announced, "Ladies and Gentlemen, welcome to Amarillo. Please remain in your seats with your seatbelts fastened while the Captain taxis what's left of our airplane to the gate!"
- Another flight attendant's comment on a less than perfect landing: "We ask that you please remain seated as Captain Kangaroo bounces us to the terminal."

WHY AMERICANS SHOULD NEVER BE ALLOWED TO TRAVEL

The following are actual stories provided by travel agents:

- I had someone ask for an aisle seat so that their hair wouldn't get messed up by being near the window.
- A client called in inquiring about a package to Hawaii. After going over all the cost info, she asked, "Would it be cheaper to fly to California and then take the train to Hawaii?"
- I got a call from a woman who wanted to go to Capetown. I started to explain the length of the flight and the passport information when she interrupted me with "I'm not trying to make you look stupid, but Capetown is in Massachusetts. "Without trying to make her look like the stupid one, I calmly explained, "Capecod is in Massachusetts, Capetown is in Africa." Her response ... click.
- A man called, furious about a Florida package we did. I asked what was wrong with the vacation in Orlando. He said he was expecting an ocean-view room. I tried to explain that is not possible, since Orlando is in the middle of the state. He replied, "Don't lie to me. I looked on the map and Florida is a very thin state."
- I got a call from a man who asked, "Is it possible to see England from Canada?" I said, "No." He said "But they look so close on the map."
- Another man called and asked if he could rent a car in Dallas. When I pulled up the reservation, I noticed he had a 1-hour lay-over in Dallas. When I asked him why he wanted to rent a car, he said, "I heard Dallas was a big airport, and I need a car to drive between the gates to save time."
- A nice lady just called. She needed to know how it was possible that her flight from Detroit left at 8:20am and got into Chicago at 8:33am. I tried to explain that Michigan was an hour ahead of Illinois, but she could not understand the concept of time zones. Finally I told her the plane went very fast, and she bought that!
- A woman called and asked, "Do airlines put your physical description on your bag so they know who's luggage belongs to who?" I said, "No, why do you ask?" She replied, "Well, when I checked in with the airline, they put a tag on my luggage that said FAT, and I'm overweight, is there any connection?" After putting her on hold for a minute while I "looked into it" (I was actually laughing) I came back and explained the city code for Fresno is FAT, and that the airline was just putting a destination tag on her luggage.
- I just got off the phone with a man who asked, "How do I know which plane to get on?" I asked him what exactly he meant, which he replied, "I was told my flight number is 823, but none of these darn planes have numbers on them."
- "A woman called and said, "I need to fly to Pepsi-cola on one of those computer planes." I asked if she meant to fly to Pensacola on a commuter plane. She said, "Yeah, whatever."
- A business man called and had a question about the documents he needed in order to fly to China. After a lengthy discussion about passports, I reminded him he needed a visa. "Oh no I don't, I've been to China many times and never had to have one of those." I double checked and sure enough, his stay required a visa. When I told him this he said, "Look, I've been to China four times and every time they have accepted my American Express."
- A woman called to make reservations, "I want to go from Chicago to Hippopotamus, New York" The agent was at a loss for words. Finally, the agent: "Are you sure that's the name of the town?" "Yes, what flights do you have?" replied the customer. After some searching, the agent came back with, "I'm sorry, ma'am, I've looked up every airport code in the country and can't find a Hippopotamus anywhere." The customer retorted, "Oh don't be silly. Everyone knows where it is. Check your map!" The agent scoured a map of the state of New York and finally offered, "You don't mean Buffalo, do you?" "That's it! I knew it was a big animal!"

Ireland's worst-ever air disaster occurred today when a small two-seater Cessna plane crashed into a cemetery early this afternoon in central Dublin. Irish search and rescue workers have recovered 300 bodies so far and expect that number to climb as digging continues into the evening.

The last word on Clinton, honest (unless he starts to misbehave again!)...

President Clinton looks up from his desk in the Oval Office to see one of his aides nervously approach him. "What is it?" exclaims the President. "It's this Abortion Bill, Mr. President, what do you want to do about it?" the aide replies. "Just go ahead and pay it." responds the President.

So it's about Bill Clinton's new revelations about his sex life. Seems today he finally admitted that he had sex with Gennifer Flowers a couple of times....but he didn't come.

Clinton is looking out of the window and he notices that someone has urinated the message, "BILL SUCKS!" on a wall outside the White House. Furious, he orders the FBI to take urine and handwriting samples from every member of the White House staff and find the culprit immediately. A week later, the FBI director calls. "Mr. President, I have good news and bad news," he says. "The good news is that the urine belongs to Bob Dole." "And the bad news?" Clinton demands. After a slight pause, the director replies, "Sir, the handwriting belongs to your wife!"

President French-Fry was out jogging when a Hooker standing on the corner hailed him. "Hey Mr. President! Fifty bucks!" "No, no." Bill replied with a grin, "Five bucks!" and kept on jogging. This exchange soon became a part of the President's normal routine. Each day as he'd approach the corner, the hooker would yell out, "Hey Mr. President...Fifty Bucks!" and Bill would holler back, "No, Five Bucks!" Well, one day, Hillary decided she wanted to go jogging with Bill. As they neared the corner, Bill suddenly realised what a terrible scene was about to happen. Sure enough, there was the hooker, and just like all the other times she smiled and waved and yelled out, "Hey Mr. President.....See what you get for Five Bucks!"

A vicar was seated next to President Clinton on a recent flight. After the plane was airborne, the flight attendant came around for drink orders. The President asked for a whiskey and soda, which was brought and placed before him.

The attendant then asked the minister if he would also like a drink. The minister replied in disgust, "Ma'am, I'd rather be savagely raped by a brazen whore than let liquor touch these lips!"

The President then handed his drink back to the attendant and said, "I'm sorry, I didn't know there was a choice. I'll have the same thing as him."

Equal Time for Monica

Monica Lewinsky, in a statement released today, countered President Clinton's firm denial:

I have had enough. This whole experience has left a bitter taste in my mouth, and I can't stomach any more. I feel as if I am getting the shaft, that this ugly matter has come to a head and blown up in my face.

This may be a load to handle, but when things are hard, that is when I am at my best. I have

faced hard things in the past, and I know what is coming.

I will meet this challenge the only way I know how...head on. I have licked bigger things than this before, and I will again. No one will ever be able to say that Monica Lewinsky isn't a finisher, that she quit before the job was done. I will work non-stop and fight this, blow by blow, until I am wiped clean of this dirty affair. I will not be stained by it.

Thank you, Monica Lewinsky

Bill Clinton is considering changing the democratic party emblem from a donkey to a condom, because it stands up to inflation, protects a bunch of pricks, and gives a false sense of security while being screwed.

A bloke walks into a bar with a crocodile. Predictably, most of the patrons scarper and the barman complains. But the owner of the croc says, "No worries, mate, watch this." Picking up a bottle, he smashes it over the croc's head. No reaction, other than a wag of the head. The bloke then gets his cock out and puts it in the croc's mouth, but again the croc just wags its head. Then a fellow punter asks if he can try it. "Help yourself, mate," says the owner.

The punter proceeds to smash a bottle over the croc's head and then put his cock in its mouth. The croc just gives its usual response. Word spreads and several blokes try it. Then an old biddy walks up for a go. "Can I just make one request, though?" she asks the owner.

"Ask away," he replies.

In their local pub, a man and a woman are having a pint. When the man goes to the toilet, another man sits in his seat and starts chatting to the woman. "I'm going to shag you here and now," proclaims the man. "No you won't - I'll get my husband," she replies. "And then," continues the man, "I'm going to strip you naked and lick your body." "When my husband gets back, he'll kill you!" she warns. "And once that's over with, I'm going to fill your pussy up with beer and then drink it through a straw!" "Right, that does it!" she yells running off to get her husband. A few minutes later, she returns

with him and explains what the pest had said. "He said he was going to shag me," cries the lady while her husband takes off his coat. "And then he said he wanted to lick my naked body," she sobs as her husband rolls up his sleeves. "And worst of all he said he was going to fill my pussy with beer and drink it all up through a straw!" At this, the man rolls his sleeves down, puts his coat back on and heads for the door. "What are you doing?" protests the woman. To which the man replies, "I'm not fighting anyone who can drink that much beer!"

A wise old man once pointed out that at cocktail parties, men stand around getting stiff while women get tight, but when they get home they frequently find that neither are either!

Hoping to start breeding pigs, a farmer goes out and buys some of the finest sows he can find. After several weeks, he notices that none of his pigs are getting pregnant. He calls a vet, who informs him that he should try artificial insemination. The farmer doesn't have the slightest idea what the vet means by this, but undeterred, he asks how he will know when his new purchases have become pregnant. The vet explains that his pigs will stop standing there and will lay down and roll around in the mud. Giving it some thought, the dumb farmer concludes that artificial insemination must require him impregnating his livestock himself. So he loads them into a truck and drives out to the woods to have sex with them all.

The next morning, the farmer looks out of his window only to see his pigs still standing around in the field. Desperately he takes them out to the woods again and bangs them all twice for good measure before retiring to bed. The next morning, he wakes up to find the pigs still standing around in the field.

"One more try" he tells himself, and proceeds to load them up and drive them out to the woods. He spends all day shagging the pigs, and upon returning home, falls straight asleep. The next morning, he cannot even raise himself to look at the pigs, so he asks his wife to look out and tell him if they're still lying in the mud. "No" she says. "They're all in the back of the truck and one of them's honking the horn"

Johnny's Progressive Picture!

It was Friday morning, and that meant it was time for an activity that the teacher called 'add to the picture'. The teacher would call students to the chalkboard one at a time. The first student would draw an object on the chalkboard, and each following student would add something to the picture to make it a new picture. The teacher called on James to start things off.

James returned to his seat.
The teacher called on Ernie next.

Ernie returned to his seat.
Now it was Suzy's turn.

Suzy returned to her seat.
Next, the teacher called Jerry to the board.

Jerry returned to his seat.
Kim was called to the board.

Kim returned to her seat. The teacher was reluctant to let Johnny near the blackboard, but she thought that there was no way that little Johnny could possibly do anything to make this picture dirty. So she called on little Johnny.....

.....
Little Johnny had done it again!!

A teacher asks her class to use the word 'contagious'. Roland the class swot, jumps up and says, "last year I got the measles and mum said it was very contagious." Then Katie, a sweet little girl with pigtails, jumps up and says, "my grandma says there's a flu going round, and it's contagious." Finally, little Johnny jumps up and shouts, "Our next door neighbour's painting his house with a two-inch brush and my dad says it will take the contagious."

Little Johnny is excited because the circus has come to town and his mum has got front row tickets for him. Finally the evening comes and Little Johnny and his mum go off to the big top. Little Johnny sits there and enjoys the lions and the tigers and the jugglers and the trapeze artists, and finally out comes little Johnny's favourites, the clowns.

Johnny is loving the clowns and their humorous japes until one of the clowns comes up to him and says 'Little boy are you the front end of an ass?' 'No,' replies little Johnny. 'Are you the rear end of an ass?' 'No,' replies little Johnny again. 'In that case,' says the clown, 'you must be no end of an ass.'

Little Johnny is distraught and he runs out of the circus and all the way home in tears. When his mum catches up with him she says, 'Little Johnny don't worry, your Uncle Marvo, the master of lightning wit, backchat and repartee, is coming to stay tomorrow. We will take him to the circus and he will sort that nasty clown out.' At this news little Johnny cheers up and looks forward to the next night.

The next night comes and, sure enough, Uncle Marvo, the master of lightning wit, backchat and repartee arrives and the three of them set off for the circus. When they get there Little Johnny, his mum and Uncle Marvo, the master of lightning wit, backchat and repartee, sit down and enjoy the lions, the tigers, the jugglers and the trapeze artists, and then out come the clowns.

Again Little Johnny is enjoying their antics and yet again one of the clowns comes up to him and says, 'Little boy are you the front end of an ass?'

Quick as a flash, Uncle Marvo, the master of lightning wit, backchat and repartee jumps up and shouts at the very top of his voice:

'Fuck off you Red nosed Cunt!'

The trials of Marriage

- Getting married is very much like going to a restaurant with friends. You order what you want, then when you see what the other fellow has, you wish you had ordered that.
- At the cocktail party, one woman said to another, "Aren't you wearing your wedding ring on the wrong finger?" The other replied "Yes, I am, I married the wrong man."
- After a quarrel, a husband said to his wife, "You know, I was a fool when I married you." She replied, "Yes dear, but I was in love and didn't notice."
- A lady inserted an 'ad' in the classifieds: "Husband wanted". Next day she received a hundred letters. They all said the same thing: "You can have mine."
- The bride, upon getting engaged, went to her mother and said, "I've found a man just like father!" Her mother replied, "So what do you want from me, sympathy?"
- A little boy asked his father, "Daddy, how much does it cost to get married?" And the father replied, "I don't know son, I'm still paying."
- Young Son: Is it true, Dad, I heard that in some parts of Africa a man doesn't know his wife until he marries her? Dad: That happens in every country, son."
- Then there was a man who said, "I never knew what real happiness was until I got married; and then it was too late.
- The trouble with being the best man at a wedding is that you never get to prove it.
- Marriage is the triumph of imagination over intelligence. Second marriage is the triumph of hope over experience.
- If you want your spouse to listen and pay strict attention to every word you say, talk in your sleep.
- Just think, if it weren't for marriage, men would go through life thinking they had no faults at all.
- You know the honeymoon is pretty much over when you start to go out with the boys on Wednesday nights, and so does she.
- During a heated spat over finances, the husband said, "Well, if you'd learn to cook and were willing to clean this place, we could fire the maid." The wife fuming, shot back. "Oh, yeah??? Well, if you'd learn how to make love, we could fire the chauffeur and the gardener."
- Personally, I think one of the greatest things about marriage is that as both husband and father, I can say anything I want to around the house. Of course, no-one pays the least bit of attention.
- According to the latest surveys, when making love, most married men fantasize that their wives aren't fantasizing.
- How do most men define marriage? An expensive way to get laundry done free.
- The most effective way to remember your wife's birthday is to forget it once.
- Words to live by: do not argue with a spouse who is packing your parachute.
- "Hands up! Money or your life!" A robber offers you a choice, a woman takes both...

- Ah, yes, divorce, from the Latin word meaning to rip out a man's genitals through his wallet. -Robin Williams
- Women complain about premenstrual syndrome, but I think of it as the only time of the month that I can be myself. -Roseanne
- Women need a reason to have sex. Men just need a place. -Billy Crystal
- I just broke up with someone and the last thing she said to me was, 'You'll never find anyone like me again!' I'm thinking, "I should hope not! If I don't want you, why should I want someone like you?" - Larry Miller
- You can say any foolish thing to a dog, and the dog will give you a look that says, 'My God, you're right! I never would've thought of that! Dave Barry
- According to a new survey, women say they feel more comfortable undressing in front of men than they do undressing in front of other women. They say that women are too judgmental, where, of course, men are just grateful. -Jay Leno
- I am not the boss of my house. I don't know when I lost it. I don't know if I ever had it. But I have seen the boss's job and I do not want it. -Bill Cosby
- In the last couple of weeks I have seen the ads for the Wonder Bra. Is that really a problem in this country? Men not paying enough attention to women's breasts? -Jay Leno
- My mom said the only reason men are alive is for lawn care and vehicle maintenance. - Tim Allen
- We have women in the military, but they don't put us in the front lines. They don't know if we can fight, if we can kill. I think we can. All the general has to do is walk over to the women and say, "You see the enemy over there? They say you look fat in those uniforms." - Elaine Boosler
- Always be nice to your children because they are the ones who will choose your rest home - Phyllis Diller
- There's a new medical crisis. Doctors are reporting that many men are having allergic reactions to latex condoms. They say they cause severe swelling. So what's the problem? - Jay Leno
- The post office says they're raising the price of stamps by one cent because they need to upgrade their equipment. Apparently they're going from semi-automatics to Uzis. - Conan O'Brien
- There's very little advice in men's magazines, because men don't think there's a lot they don't know. Women do. Women want to learn. Men think, "I know what I'm doing. Just show me somebody naked." -Jerry Seinfeld
- A survey says that American workers work the first three hours each day just to pay their taxes. So that's why we can't get anything done in the morning. We're government workers! - Jay Leno
- Electricity can be dangerous. My nephew tried to stick a penny into a plug. Whoever said a penny doesn't go far didn't see him shoot across that floor. I told him he was grounded. - Tim Allen
- If you can't beat them, arrange to have them beaten. -George Carlin
- That married couples can live together day after day is a miracle that the Vatican has overlooked - Bill Cosby
- I am a marvelous housekeeper. Every time I leave a man I keep his house. -Zsa Zsa Gabor
- When I was in Boy Scouts, I slipped on the ice and hurt my ankle. A little old lady had to help me across the street. - Steven Wright
- After making love I said to my girl;, "Was it good for you too?" And she said "I don't think this was good for anybody." - Gary Shandling
- The problem with the designated driver program, it's not a desirable job, but if you ever get sucked into doing it, have fun with it. At the end of the night, drop them off at the wrong house."-Jeff Foxworthy

After a few years of married life, a man finds that he is unable to perform anymore. He goes to his doctor and his doctor tries a few things but nothing works. Finally the doctor says to him, "this all in your mind", and refers him to a psychiatrist. After a few visits to the shrink, the shrink confess, "I am at a loss as to how you could possibly be cured."

Finally the psychiatrist refers him to a witch doctor. The witch doctor tells, "I can cure this", and throws some powder on a flame, and there is a flash with billowing blue smoke. The witch doctor says, "This is powerful healing, but you can only use it once a year! All you have to do is say '123' and it shall rise for as long as you wish!"

The guy then asks the witch doctor, "What happens when it's over?" The witch doctor says, "all you have to say is '1234' and it will go down. But be warned; it will not work again for a year!"

The guy goes home and that night he is ready to surprise his wife with the good news. So he is lying in bed with her and says, "123", and suddenly he gets an erection. His wife turns over and says, "What did you say "123" for?"

Two married buddies are out drinking one night when one turns to the other and says, "You know, I don't know what else to do. Whenever I go home after we've been out drinking I turn the headlights off before I get to the driveway. I shut off the engine and coast into the garage.. I take my shoes off before I go into the house, I sneak up the stairs, I get undressed in the bathroom, I ease into bed and my wife STILL wakes up and yells at me for staying out so late!"

His buddy looks at him and says, "Well, you're obviously taking the wrong approach. I screech into the driveway, slam the door, storm up the steps, throw my shoes into the closet, jump into bed, rub my hands on my wife's butt and say, 'How about a blow job?and she's always sound asleep.

At a women's conference, a speaker from Ireland stood up and said:"At last year's conference we spoke about being more assertive with our husbands. Well, after the conference I went home and told my husband I would no longer cook for him and that he would have to do it himself.. After the first day I saw nothing. After the second day I saw nothing. But after the third day I saw that he had cooked a wonderful roast lamb." The crowd cheered.

The second speaker from America stood and spoke, "After last year's conference I went home and told my husband that I would no longer do his laundry and that he would have to do it himself. After the first day I saw nothing. After the second day I saw nothing, but after the third day I saw that not only had he done his own washing but my washing as well." The crowd cheered again.

The third speaker from England narrated: "After last year's conference I went home and told my husband that I would no longer do his shopping and that he would have to do it himself. After the first day I saw nothing. After the second day I saw nothing. But after the third day I could see a little bit out of my left eye"

A couple had been married for 50 years. They were sitting at the breakfast table one morning when the old gentleman said to his wife, "Just think, honey, we've been married for 50 years."

"Yeah," she replied, "Just think, fifty years ago we were sitting here at this breakfast table together."

"I know," the old man said, "We were probably sitting here naked as jaybirds fifty years ago."

"Well," Granny snickered, "What do you say....should we get naked?" Where upon the two stripped to the buff and sat down at the table. "You know, honey," the little old lady said breathlessly, "My nipples are as hot for you today as they were fifty years ago."

"I'm not surprised," replied Gramps. "You've got one in your coffee and the other in your oatmeal!"
